What the Church Has Forgotten About Divorce

A call to return to obedience to the Lordship of Jesus in honouring marriage vows "till death do us part". This is an unpopular message in this age, when it seems that the majority of the Church now condones what Jesus calls ADULTERY. (That is HIS choice of a word to describe it not mine!)

The Real Christ and the Antichrist

A historical review and exposition of the "Historicist" view of the prophecies about the Antichrist. Exposes the real source of the origins of the "Futurist" view.
